

Web Development Award Qualifications

Amount of the Award: \$5000 each for 2 businesses to be awarded in 2010.

The SEED Dixie Web Development award objective aligns with the object of SEED Dixie and USTAR mission of creating high paying jobs in Washington County.

Applicants must agree to:

1. Be an existing or new business that deals in e-commerce.
2. Complete a one page business plan (sample included) with a cover letter explaining the history of your business and use of funds to meet a certain milestone.
3. Be physically located in Washington County and agree to remain in Washington County for 3 years or forfeit amount of the award back to the SEED Web Development Fund.
4. Have the development work completed by a qualified firm. *Award check will be payable to both the company and the firm to provide an audit trail and accountability.* The firm must be experienced and pre-qualified by the Dixie Business Alliance. Firm must agree to negotiated development fees.
5. Must allow SEED Dixie/USTAR to track progress and results of the development at regular intervals during for the first two year period after the award.
6. Sign a contract including all of the above.

Note: A volunteer mentor experienced in web development and e-commerce may be assigned to consult with winning companies.
